(Cabinet Records / Bass Culture / Scenario)

Dj Set Technical Rider 2018

EQUIPMENT REQUESTED & STAGE SETUP

2 x turntables: Technics SL 1210/1200 with system needles in good condition

2 x Pioneer CDJ900 or CDJ 2000 linked

1 x mixing console: Allen&Heath X:ONE 92 or Pioneer CDM 750, CDM 900

(these are the standard choices. High end mixers like Rodec, Formula or similar are welcome too. But no Rotary mixers please)

2 x high quality monitor speakers left and right to the artist. Monitor system shall be placed at shoulder height or above on each side of artist, not behind or on the floor. Monitor volume must be able to be controlled by the artist.

A safe place behind or on the side of the artist in table height to put the vinyl records. (Not on the floor!)

For USB only sets same setup, only without turntable and place to put records.

Lights: NO direct spotlight on or bright LED lights close to the artist. A small light to the mixer and turntables/CDJ is essential!

Recording of the set is only permitted in agreement with artist/agency and has to be requested!
